CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

More Retread Jobs For Glades Area

Two more State Road Department contracts will be let on January 29 for work to be done in the Glades section of Palm Beach County, according to County Commissioner Paul Rardin who has been notified by SRD in Tallahassee about the upcoming bids.

One stretch of highway to get a new retread surface is that piece between the Baptist church in Pahokee and the East Shore pump on State Road 715 for a distance of 7.5 miles, according to Rardin who asked for the work to be done under the secondary road work plan. Another stretch of 1.4 miles is from in front of Vandegrift-Williams Offices in Pahokee out to the Florida East Coast Railway tracks at the plant of the Florida Power and Light Company. This also was sought by Rardin under the secondary road work plan whereby the County Commission can direct expenditure of funds.

In a cooperative effort between the City of Pahokee and the County, parking areas are to be paved between Kilgore Seed Company and the East Lake School Building. The SRD has notified the County, Commissioner Rardin said, that these areas properly prepared and oil-primed will be black topped for parking areas in the above described section. Street Supt. Marvin Cowart is working closely with Commissioner Rardin in an effort to get the parking areas ready before the January 29 SRD letting in Tallahassee.

Just recently the road from Belle Glade out to the dike was retreaded. The road from Belle Glade to South Bay (SR30) was also retreaded recently, removing from the Glades area the last piece of actually rough highway. Not too many weeks ago the State Farmers Market road in Pahokee was retreaded. A few weeks after the Market Road was completed the road between the post office in Canal Point and the Martin County Line at the Wagonwheel was retreaded. Also of interest to Glades motorists was the retreading of the road from Port Mayaca to the Indiantown Bridge.

Chambers Plan For Booth At Fair

Fred Younts and John Causey, assistant County Agricultural agent, of West Palm Beach met with President Helen Hillier and directors of the Pahokee Chamber of Commerce in the chamber office Monday night to discuss procedures for setting up a booth at the Palm Beach County Fair to be held at the fairgrounds east of Boca Raton, Jan. 23-31. President announced a special meeting of the chamber's board of directors will be held in the chamber office Thursday, Jan. 8, at 1:15 p. m. when a decision will be made as to whether or not there will be a Pahokee booth at the fair.

Mrs. H. C. Graham has resigned from her position as welfare director at the Salvation Army headquarters in Jacksonville and has joined her husband in Pahokee where they are now making their home at 313 Cypress Ave.

Couple Injured In Car Accident

Mrs. Ronald Renouf of Pahokee has been a patient in the Province Hospital at Mobile, Ala., since New Year's Day, receiving treatment for severe injuries suffered in a car accident near Mobile. Her husband was also injured but less severely and has been discharged from the same hospital. At the time of the accident Mr. and Mrs. Renouf were enroute home from a visit with his mother and other relatives at San Bernardino, Calif. If Mrs. Renouf's condition continues to improve it is expected she will be able to be moved from Mobile to Pahokee this week and will be accompanied here by her sister, Mrs. Clara Edens of Atlanta, Ga., who is a practical nurse.

Riviera Beach Wins From Devils

Coach Bill Howard's Pahokee High Blue Devil basketball team led the scoring in Tuesday night's game in the local gym with Riviera Beach until the final moment when the visitors came from behind to defeat Pahokee by one point, 35-34. Riviera's forward, Buddy Faison, was fouled as he was trying to shoot a basket when the horn signaling the end of the game sounded. Both free throws were good for a victory for his team.

Faison's total of 19 points led the scoring for both teams. Forward Alvy Early, with 11 points, was high scoring man for the Blue Devils.

Pahokee is scheduled to play another home game in the local gym this Friday night when they meet the Pompano Beach Tornados. Next Tuesday night they will travel to Clewiston for a game with the Tigers. Both of these encounters will be double headers, with Coach Web Pell's B team featured in the preliminary contests.

New Quarters For P. O. In Pahokee

Congressman Paul G. Rogers advised that the Post Office Department was in the process of obtaining a new postal facility at Pahokee, Florida, as a result of a recent survey.

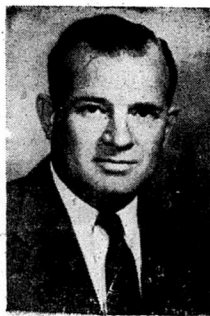

Mr. Rogers asked the Post Office Department to investigate the situation at Pahokee and provide adequate quarters for the Post Office Department.

The Regional Operations Director, stated in a letter to Congressman Rogers:

"Reference is made to your previous interest in the provision of a new postal facility at Pahokee, Florida. Final results of our space survey indicated a need for additional space at Pahokee. We are now in the process of obtaining adequate quarters for this facility."

Mr. and Mrs. Charles Lairsay have returned to their home in Tallahassee after spending the holidays with his parents, Mr. and Mrs. Millard Lairsay of Canal Point. Charles is a student at Florida State University in Tallahassee. Mrs. Lairsay is employed by the State Park Board in Tallahassee.

Two veteran members of the Board of County Commissioners of Palm Beach County were elected to top positions on Tuesday when that board reorganized for the year of 1959. Lake Lytal of West Palm Beach, senior member of the board, was unanimously elected chairman to serve during the next 12 months. Another veteran member with only two years less service than Commissioner Lytal was named to the number two spot when Commissioner Paul Rardin of Canal Point was chosen vice chairman also by unanimous vote.

Ground Observer Corps Rewarded

The U. S. Air Force was represented by S-Sgt. Knapp of Miami and Sgt. Singletary of Sebring at the public meeting held in the high school auditorium Monday night for the presentation of awards to those who have served as plane spotters at the Pahokee observation post of the Ground Observer Corps. The airmen explained that GOC is being disbanded because of the country's improved radar warning system. Sgt. Knapp presented to each of the GOC workers present a certificate of achievement, an honorary membership identification card and a letter of appreciation from the president. A total of 130 Pahokee residents, who had served as plane spotters, were eligible for these awards. The awards will be distributed to those not attending the meeting by Scoutmaster Louis Mims to Boy Scouts who have served in GOC and by the City Hall to the adults, according to Mr. Roy Vandegrift, Jr., chief observer.

Talent Show For Jan. Pahokee PTA

A talent show, featuring musical numbers, dancing and other stage performances by students of Pahokee Schools will be presented on the program at the January meeting of the Pahokee Parent-Teacher Association Monday night, Jan. 12, at 8 o'clock. The student performers will include Alvy Early, Gene Parnell, Tammy Branch, Linda Hand, Shirley Kincaid, Jean Brown, Lorin Rosenberg, Glenda Russon and Roger Hatton. Mrs. Elsworth Keen, program chairman, is in charge of arrangements. Mrs. Roy Vandegrift, Jr., president, will preside at the business session.

Tag Sales Open In New Office Building

Auto tags sales opened for the first time Monday morning at the new Glades Office Building with Mrs. Edwina Young of Stetson O. Sproul's Tax Collection office in charge of sales. The first tag issued in the new building went to H. G. Rogers of Bryant and the second one was issued to J. E. Rodgers, his son, of Canal Point. Young Rodgers was in line when the tag clock and made the two purchases.

County Commissioner Paul Rardin said before opening of the office that every convenience had been provided for the motorist who wishes to secure his tag at the new Glades Office Building. Mrs. Young suggests that those who want to avoid the last minute rush make their tag purchases during the next few days while they are not rushed in the tag office.

Cattle Industry Growing, Says Red

A glowing picture of Palm Beach County's growing cattle raising and farming activities was painted this week by County Agent M. U. Mounts in his annual report to the county commission.

Mounts, a long time employee of the county, said in the past 25 years vast changes have transpired in all fields of agriculture. He said years ago the average farm contained about 49 acres and today the farms average more than 600 acres each. In the meantime there has been little change in the population of the farmers.

The county agent said the type and quality of the farming industry has been improved and by comparison in 1935, only 1,000 acres were planted in vegetables and last year the mark soared to 96,000 acres.

At the present time, he said, more than 100,000 acres have been turned into improved pasture lands to take care of the county's growing beef raising and dairy industry.

He also pointed out that the sale of ornamental plants and cut flowers which stood at about \$1 million several years ago, last year brought in from \$7 to \$8 million.

Mental Health Is Topic For PTA

A talk on "Mental Health" was given by Mrs. Ruth Kyte of West Palm Beach at the January meeting of the Canal Point Parent-Teacher Association held in the school auditorium Monday night with Mrs. A. R. Harrington, president, presiding.

The group voted a donation to the Lions Club to share with the club the expense of Santa's visit by plane to Canal Point and the ensuing Christmas party for the children of the community held on the lake levee the afternoon of Dec. 24.

Mrs. L. L. Maxson, chairman, reported PTA netted \$186.45 from its fund-raising project, the sale of Christmas cards.

Mrs. Charlotte Walston's fifth grade and Mrs. Mildred Larick's sixth grade tied for the monthly attendance award.

In the opening exercises Mrs. Leonard Maxson gave the invocation and Mrs. Charles D. Stewart read the president's message for the month.

On the hostess committee in charge of serving refreshments following the meeting were Mrs. W. N. Veal, Mrs. Bill Elliott and Mrs. Floyd Erickson.

Campbell Sells His Grocery Store

Sheldon Campbell has sold his grocery at 431 Lake Ave. to Homer Barnes who took possession the first of the week. Mr. and Mrs. Campbell and children plan to move later this month from Pahokee to Sarasota where they will make their home with his father, Dan Campbell. It is the former Keen Grocery.

O. H. Waldschlager re-entered the VA Hospital at Coral Gables this week for additional surgery.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Lake Lytal, veteran member of the County Commission who is beginning another four-year term on the board, was named chairman of the commission when the group held its organizational meeting Tuesday.

Lytal, who succeeds Roy Michael, Jr., Lake Worth, as top man on the board, has previously served as chairman and last year served as vice chairman.

Named to succeed Lytal as vice chairman was Paul Rardin, Canal Point, who holds second seniority in years of service as a member of the commission.

Commissioner Kenneth Foster nominated Lytal for the chairmanship and said there "is no member of the board more dedicated to public service and to his job than Commissioner Lytal. No one has worked harder."

Commissioner Ben Sundry, Delray Beach, placed Rardin's name in nomination for the vice chairmanship.

Retiring chairman Michael, before stepping down, said he had not accomplished as much as he had wanted to get done during the past year, but he felt that accomplishments that had been carried out were notable and for the benefit of the county. He predicted that a general improvement program

throughout the county will continue.

In other reorganization action, the commission re-appointed all county personnel and department heads with an observation from Chairman Lytal "The motion covers some very fine people."

The commission set its regular meetings for 10:30 a. m. on the second and fourth Monday of each month and set a weekly administrative meeting for each Monday at 2 p. m.

Regular meetings of the zoning commission were set for the first Friday of the month at 2 p. m.

Carol Ann Mullis Weds J. R. Arnsdorff

Miss Carol Ann Mullis, daughter of Mr. and Mrs. Lloyd Mullis of Pahokee, and John Robert Arnsdorff, son of Mr. and Mrs. R. L. Arnsdorff of Amsterdam, Ga., were united in marriage in a double ring ceremony at the Pahokee First Baptist Church at high noon, Dec. 28, with the Rev. James E. Boyd, pastor reading the vows as the couple stood before an altar decorated with white chrysanthemums and gladioli against a bank of palms.

The nuptial music was presented by Wayne Hobbs of Florida State University, Tallahassee, organist, and Robert O. Lampi of Pahokee, soloist.

The bride, given in marriage by her father, wore a princess-style gown of peau-de-sore, fashioned with a yoke of chantilly lace, sabrina neckline and long tapered sleeves. Her French illusion veil was attached to a crown of net and seed pearls. She carried a bride's bouquet of white cream roses and a Bible which her father carried while serving in the Armed Forces in Europe during World War I and her brother carried also in Europe in World War II.

Miss Darlene Brown of Orlando, maid of honor, wore light blue silk organza over silk taffeta and a tiara of seed pearls. She carried a bouquet of pink carnations.

Miss Johnnie Oliver of Fort Lauderdale, bridesmaid, wore a dress of pale pink pure silk organza over taffeta. Her tiara also was of seed pearls and she also carried pink carnations entwined with ivory. Both attendants wore a string of pearls, gifts from the bride.

Raymond L. Arnsdorff served as his son's best man. Timothy J. Mullis, Miami, brother of the bride, and Mike Laslie, Attapulgus, Ga., were ushers.

Mrs. Mullis chose for daughter's wedding a dress of ranch brown satin with dark brown accessories and a corsage of yellow mums. Mrs. Arnsdorff, mother of the bridegroom, wore a dress of winter white satin with pink accessories and a corsage of pink carnations.

The home of Mr. and Mrs. Richard D. Sappington on Annona Ave. was the scene of the reception which followed the ceremony, with

the bride's parents, hosts. The three-tiered wedding cake on the bride's table was surrounded by fern and the punch bowl was nestled in an arrangement of holly and magnolia leaves from Louisiana. Mrs. Lillian Giddens of Ringgold, La., served the cake while Mrs. Oswald F. Giddens of Montgomery, La., poured at the punch bowl. Mrs. Betty Richardson was in charge of the bride's book.

Out-of-town guests included Mr. and Mrs. R. L. Arnsdorff, Amsterdam, Ga.; Mr. and Mrs. Richard M. Richardson, Robert B. Cradle and Wayne Hobbs, all of Tallahassee; Mr. and Mrs. O. F. Giddens, Mike Giddens and Billy Giddens, all of Montgomery, La.; Mrs. Lillian Giddens, Ringgold, La.; Mike Laslie, Attapulgus, Ga.; Miss Betty Echols, Macon, Ga.; Mr. and Mrs. Dan Mullis, Lake Worth; Bill Gist and Tim Mullis, Miami; Miss Johnnie Oliver, Fort Lauderdale, and Miss Darlene Brown, Orlando.

Following a wedding trip in Florida Mr. and Mrs. Arnsdorff are now at their home, 545½ East Call Ave., Tallahassee.

A supper for members of the wedding party was held at the Woman's Club building Saturday evening following rehearsal for the wedding at the First Baptist Church, with Mr. and Mrs. Lloyd

Mullis, hosts. Thirty-four guests were present.

Mr. and Mrs. Ray Angel and children have returned to Orlando after a visit with his parents, Mr. and Mrs. Leslie Angel, at Pahokee.

Mr. and Mrs. William Legal of Salem, Ind., arrived in Pahokee this week for a visit with her uncle and aunt, Dr. and Mrs. L. W. Armstrong.

Mrs. H. J. Anderson left Wednesday for a visit with Mr. and Mrs. Edgar Heath at St. Cloud and with Mr. and Mrs. Alfred Carvers at Lake Wales. She also plans to enter a clinic at Lakeland for treatment before returning home next week.

Mr. and Mrs. Bob Allen have returned to Atlanta, Ga., after a visit with her parents, Mr. and Mrs. J. B. Crosby, at Pahokee.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,860.70 ... and in 19 years and 8 months, \$6,372.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$25,000.

Now even better! Invest more in Savings Bonds!

Born of a feud over river commerce with Apalachicola, Calhoun County was formed in 1838. Income is derived from general farming, lumber and livestock. "Raising" worms for fish bait has reached the proportion of a major industry. Calhoun County is noted too, for its tupelo honey, outstanding beef and dairy cattle business, and profitable tung oil industry. The Dead Lakes and picturesque Apalachicola River provide splendid hunting and fishing. County seat is Blountstown, named after an Indian chief and its first settler.

In progressive Calhoun County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.

Christian Science Group Of Canal Point

How prayer and watchfulness brings freshness and newness into human experience will be a topic presented at Christian Science services Sunday.

"Sacrament" is the subject of the Lesson-Sermon. Passages to be read from the Bible include the following from Psalms (51:10): "Create in me a clean heart, O God; and renew a right spirit within me."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (4:17-22): "Simply asking that we may love God will never make us love Him; but the longing to be better an holier, expressed in daily watchfulness and in striving to assimilate more of the divine character, will mould and fashion us anew, until we awake in His likeness."

The Golden Text is from Hebrews (13:16): "To do good and to communicate forget not: for with such sacrifices God is well pleased."

FELLOWSHIP COUNCIL

The Senior Methodist Youth Fellowship Council met with Mr. and Mrs. Lavon Bass, counselors, in the educational building of the First Methodist Church Wednesday evening, while the Intermediate MYF Council held its business meeting at the home of the Rev. and Mrs. Clare S. Hall Thursday night, with Mrs. Lloyd Hundley, counselor, attending. Future MYF activities were planned at these meetings.

The Canal Point Senior Methodist Youth Fellowship was represented at the Glades Sub-district meeting at Lake Harbor Tuesday night by its president, Katherine Young; also by Betty Johnson, Linda Livingston and Eustis Blackwell, adult counselor.

OWNED AND OPERATED BY MORE THAN
100 FLORIDA CATTLEMEN

Cattlemen Will Have Anniversary

KISSIMMEE—The Silver Anniversary of the Florida Cattlemen's Association will be observed here in Kissimmee with appropriate ceremonies during February, reports Alto Adams, Jr., of Fort Pierce, president of the Association.

In addition, a special historical section of the Florida Cattlemen magazine will be published in recognition of the 25th anniversary of FCA's founding, February 1, 1934.

Only a handful of cowmen from Osceola and nearby counties gathered in the office of County Agent June Gunn (who has served as FCA secretary for nearly all of its 25 years of existence) to form the cattlemen's association. At first it was a direct membership proposition, with efforts made to seek members from all parts of the state. A year later, however, it evolved into its present setup, with 43 local groups representing 48 of Florida's 67 counties.

First president of the Association was Holmes Prather of Kissimmee, who turned over the reins a year later to P. E. Williams of Davenport—a man who served from 1935 until 1946 with one two year interruption.

Other presidents have been: the late Dave Turner of Bradley Junction, Irio Bronson of Kissimmee, Cushman S. Radebaugh of Ocala, Ben Hill Griffin, Jr. of Frostproof, Jay B. Starkey of Largo, B. J. Alderman of Grandin, J. O. Pearce, Jr. of Okeechobee, and Adams.

Turnpike Shows Traffic Increase

TALLAHASSEE — Florida's winter tourist season has gotten off to a rather slow start in spite of the fact that the new turnpike is being set for the total number of cars using the Sunshine State Parkway per day.

Florida Hotel and Restaurant Commissioner Richard Edgerton says the Eastern Air Lines strike has apparently hurt the state's tourist business. But there is evidence that business may pick up soon in Miami and other resort areas of the state.

The Sunday after Christmas was the busiest single day in the two-year history of Florida turnpike. Approximately 19,500 cars traveled a total of one million miles during the day to top all previous records by a wide margin.

Meanwhile, Edgerton said he thought tourists would start moving into Florida in larger numbers once the Eastern strike is settled. Some hotels, including the new Diplomat in Hollywood Beach, this year's favorite, are booked to capacity. Others are looking forward to an upswing in the near future.

Botel Provides Fishing Help

LEESBURG — Something new has been added to fishing in Central Florida that provides all the conveniences of home for the angler after the big bass.

The Florida Botel and Fishing Club on Lake Harris, now provides houseboats called "botels" with complete facilities for the fisherman. Equipped with hot and cold running water, shower, gallery and other modern conveniences, all the fisherman needs is his food to become completely independent of any shore installations. The boats are powered by 35 h. p. outboard motors and rent by the day or week.

State Gas Tax Shows Big Increase

TAMPA—During the first two days of the New Year, Florida motorists paid as much in gasoline taxes as they once did in an entire year. Total for 1958 will amount to \$162.3 million, including \$48 million from a three cent Federal tax. So says Frank H. Owen, executive secretary of the Florida Petroleum Council.

With a state tax now of seven cents and a federal three cent tax motorists in Florida are paying 10 cents on each gallon, the equivalent of a 46 per cent sales tax. This tax amounts to one million dollars every two and a half days.

Mrs. Velma Hall Is New Worthy Matron

Mrs. Velma Hall was inducted new worthy matron of Pahokee Chapter 184, Order of Eastern Star, at the annual installation of officers held in the Masonic Hall.

Other officers installed were Perry Hall, worthy patron; Mrs. Angela Sears, associate matron; J. H. Bordeaux, associate patron; Mrs. Judy Sapp, secretary; Mrs. Eleanor Bordeaux, treasurer; Mrs. Ruth Meredith, conductress; Mrs. Ila Howell, associate conductress; D. P. Hughes, sentinel; Mrs. Mattie Lou Keen, Ada; Mrs. Willie Dukes, Ruth; Mrs. Annette McCurdy, Esther; Mrs. Eunice Hughes, Martha; Mrs. Florrie Nix, Electra; Mrs. Beatrice Sheppard, chaplain; Mrs. Adeline Wooten, organist; Mrs. Kay Sears, marshal, and Mrs. Buna Rogers, warder.

Assisting P. A. Sizemore as installing officers were Mrs. Mabel Young, marshal; Mrs. Beulah George, organist; Mrs. Martha Freeman of Belle Glade, chaplain, and Mrs. Stella Pirkle of Clewiston, secretary.

A past matron's pin was presented to Mrs. Judy Sapp, retiring worthy matron, with her daughter, Mrs. Marie Hughes, and granddaughter, Judy Kay Hughes, making the presentation on behalf of the chapter. The presentation of the past patron's pin to O. H. Sheppard, retiring worthy patron, was made by his daughter, Miss Helen Sheppard.

Laundry Job To Be Cleaned Up

The county commission had a problem of dirty linen this week which is expected to be washed out in a committee meeting.

The board received a letter from R. J. Held, superintendent of the county home and hospital, saying that Deputy Sheriff John Kirk, Jr., had charged that some of the laundry from the jail is missing each week when the garments are returned. He said he believed some changes should be made in the system where a laundry is operated at the county hospital for other county departments.

Commissioner Paul Rardin was named as a committee of one to meet with Sheriff John Kirk and attempt to iron out the laundry situation.

Christian Service Group In Meeting

Mrs. Pope Sears, president, presided at the January meeting of the Canal Point Methodist Woman's Society of Christian Service held Tuesday night at the home of Mrs. Donald Kepp.

The group voted to assist needy families as a home mission project. Plans were made to sponsor a rummage sale at the Labor Camp at Sand Cut Saturday, with Mrs. Frank M. Wilson in charge. Mrs. C. L. Stuart distributed to members copies of the book, "Isaiah Speaks," for study classes.

Mrs. Sears introduced the Rev. Robert A. Shelley who spoke on "Mohammedanism and Buddhism."

Dr. and Mrs. L. W. Armstrong, accompanied by their son-in-law daughter, Mr. and Mrs. Jack Phillips, visited their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong, in Hialeah last week and while there attended the LSU-Clemson game in the Orange Bowl.

State Park Plan At 20-Mile Bend

Possibility that flood control lands near 20-mile bend may become a state park was seen this week in action by the county commission.

The board voted to ask the FCD for a permit to use district lands for park purposes. If agreeable, the commission will then seek funds from the State Road Department for development of the land into a roadside park and recreational area.

In other actions the board.

Took under advisement a letter from the Lake Worth Garden Club asking that the Hibiscus be designated the official Palm Beach County flower.

Referred to the legal department, a petition signed by about 50 residents of West Trail Drive, objecting to operation of dog kennels in that area, charging the dogs are noisy and the kennels unsanitary.

Voted to be represented Friday at Miami for a meeting of city and county officials from Dade, Broward and Palm Beach County for the purpose of studying formation of a tri-county organization to interest the state in South Florida's problems.

Approved a right of way contract for U. S. Highway 1, through Delray Beach.
